INSTRUCTIONS

SONG SELECT:
Each song has its own set of arrow shots that score points. As the song progresses, different shots become available to the player.

COMBOS:
Shooting any of the ramps, orbits, and ejects lights up the COMBO LIGHTS for a brief time. Combos score points. Shooting any of the targets while the game is running ends the combo and builds the Icarus X multiplier value.

ICARUS X MULTIPLIER:
Shoot the Icarus when the SYMBOLS are lit to start the Icarus X playfield multiplier.

ZEPPELIN MULTIBALL:
Shoot the ROCK targets to light the ZEPPELIN RAMP. Launch the ZEPPELIN phases 1-2-3 to start ZEPPELIN MULTIBALL.

TOUR MODES:
Shoot the RIGHT RAMP to light TOUR MODES. Shoot the LEFT EJECT to start the tour.

TOUR MULTIBALL:
Each TOUR has its own set of objectives to complete on the TOUR CHECKLIST. Complete TOUR OBJECTIVES to lock balls for TOUR MULTIBALL.
